

Note some of the penmanship is clear some is not. Some of the ink is very faded after 144 years I did my best to read my Great Uncle Dan's writing. Signed Wesley E Arnold historian. For info contact me at wecare@macombhistory.us visit macombhistory.us for pictures. Click on the California Michigan link. This site also has photos of all of these pages so you can reinterpret them if you choose. This document still needs study some minor corrections to be made but aside from that it truthfully represents the peoples daily lives in the 1870s.

It is best to skip two pages to 1872 where the story starts. Some things of importance such as Births or Deaths have been put on bold and in Red or Blue.

First entry Mr. Daniel J Stewart California Branch County Mich Jan 1868. rest of page blank.

I think there is a book missing here.

A blank page later the page starts with a new date in a new year as follows.

Paid [? could be S or I] Chestnut \$1.20 for beef bought in Nov 1.20

[John Selfridge was the brother of this Daniel Stewart's wife Elvira Selfridge aka aunt Vi. She and Dan raised my grandfather Daniel T Stewart and his brother George Lionel Stewart. Their parents were George E Stewart and Clara Reed Summerville, Mann Kincade. George Sr was a riding circuit judge in Texas Clara was raised on a plantation much is unknown about them except that neither wanted to raise kids so they pawned them off on Daniel John Stewart and Elvira Selfridge who had no children of their own. Later in these diaries on May 24, 1884 is the birth of Daniel Thurston Stewart my grandfather in a house in California Michigan.]

The next entry is on the same page where we left off but the date is:

March 15 gave Joshua Dobbs a note of \$27.85 for amount due for saw bill asp to Paid this date, payable in 3 months.

[The rest of the page is blank] Years of above unknown

1872

[the very next page I named 1-1 because it actually is the beginning of a diary with an actual year given.]
